

Quarantine Free Safe Travel Path (Zone A)

Track your journey

Download the NZ COVID Tracer App before you leave for the airport.
Use the NZ COVID Tracer app with Bluetooth tracing turned on if you can.
If you do not use the app, use whatever method works for you, like the NZ COVID Tracer booklet. These are available in the arrivals corridor before the Customs Hall.

Land in Auckland

You will need: your mask on before you exit the aircraft

Top Tip: have all your documentation ready and close at hand before you leave the aircraft, including your passport and completed arrivals card

Scan in

Scan into Auckland Airport using the NZ COVID tracer app

Bathrooms
